b. The Director left the meeting early and I raised the question of where we should conduct the [REDACTED] I did not find any strong opposition to having [REDACTED] although I readily conceded that we could not expect to have a large number of Division Chiefs in the Clandestine Services [REDACTED] After some discussion Bob Amory and Dick Bissell agreed that if we would accept grade GS-15s or higher we could fill the quota of about [REDACTED] each Deputy Director's area. 3. [REDACTED] telephoned to recommend [REDACTED] in case we were going to replace [REDACTED] right away. I told him that I did not intend to replace John at this time and that while I would be glad to consider [REDACTED] I was not very optimistic that he would be acceptable to me for this particular job.
